

DOG HOUSE

## Bendi Sue Morris

#1

I feel my dog Bendi Sue should be Top Dog because she is very special to me.

Bendi Sue is a Dachshund that we adopted from a Dachshund rescue center. She was very shy and scared when we first got her, but with lots of love she is now a happy Doxie. She sleeps with me every night and wakes me up in the morning with lots of kisses. Mom calls her the Bendi Sue alarm clock. Bendi is so happy at our house she even plays with our cat Cleveland.

Bendi Sue will always be my Top Dog.
