CHAMPAIGN COUNTY ENGINEER'S QUARTERLY NEWSLETTER

New Employees!

On March 26, 2001, we welcomed two new Highway Maintenance Workers.

Mr. Dan Belville lives in Urbana. He is a graduate of Marysville High School.

Dan enjoys hunting, fishing and woodworking. Dan was formerly with Clark Trucking Inc. Dan is married to wife, Tisha and has a daughter, Shawna and a son Caleb.

Mr. Billy Black Jr. comes to us from Yellow Freight. He resides near Mechanicsburg. Billy graduated from Mechanicsburg High School. He enjoys hunting and fishing. In addition to over 23 years of truck driving, Billy has been a farmer for 30 years. Billy has three children, Eli, Courtney and Denver.

We welcome both of these gentlemen and wish them success in their new endeavors. Dan and Billy, it's nice to have you with us!

Ron Faulkner Retires!

Our Highway Superintendent, Mr. Ron Faulkner will be retiring on May 31, 2001. Ron began his servicewith our office on May 19, 1969. We wish Ron a long and happy retirement and hope he does well with his wife Karen's wish list.

New Tractor purchased.

The Engineer has recently purchased a new Case/IH Cx 100 tractor for roadside mowing. This new unit is equipped with an air conditioned cab and 4-wheel drive. It was purchased from Sanders Sales and Service in Urbana through the State Bid Program.

We expect this new tractor to be delivered the week of May 14.

County Engineer's Web Page on Line.

Champaign County has a new web site. The Engineer's office has a web page under the County Government section.

You computer users can log on at www.co.champaign.oh.us/engineer. Check our page, there are project schedules and updates listed, a great county map and much additional information about us and our operation. You can also e-mail us at engineer@co.champaign.oh.us.
